OCWP2020/06 **REMIT of the WORKING PARTY**

Members noted the remit of the Working Party, which is:

To identify methods for improved public engagement and greater provision of information to residents of Lewes, to include:-

- › A review of information sharing and the methods used to share key events and policy developments
- › Consideration of good practice on methods of online deliberation and social media, such as on key town-wide issues
- › Identifying ways to provide more joined-up support for community engagement in and around Council-owned buildings

OCWP2020/07 **BUSINESS of the MEETING**

1. The matter of noticeboards in the town was raised, and TC advised that the Council owned only the three small cases on the face of the Town Hall, and the case at the All Saints Centre. It was stated that there was currently conflicting information displayed at the Town Hall, and TC would investigate and have this corrected. The ‘heritage-style’ street-map case in the pedestrian precinct was cited as potentially useful as a further location for Council information. TC advised that it was part of a suite of street furniture provided by the Town Council when the area was pedestrianized and dedicated to display of a town street plan for visitors, produced in partnership with the Friends of Lewes. There were potential implications to a change of use which would need to be clarified and TC undertook to investigate this possibility. It was suggested that most visitors would, these days, use digital maps on a smartphone, but other Members noted that this by no means described everyone. Cllr Herbert offered to look at other noticeboards and bring forward proposals.

2. There was a general discussion on the role of Facebook, and acknowledged that whilst it now appealed mainly to an older demographic, with other services more popular with younger people, it could compliment the Council’s website by also carrying meeting agenda *etc.* TC noted that the planned post-Covid deployment of

staff would offer more time than hitherto for an account to be administered.

3. The principles of Participatory Budgeting were briefly discussed, and it was noted that all Councillors had been invited to an imminent workshop which would include this topic.

4. *Cllrs Catlin and Vernon left the meeting at this point*

5. The Mayor was to host an informal travel-related symposium “Reinventing Lewes Streets & Shops” the following evening, in response to the County Council’s Active Travel proposals, and there was much discussion as to the format of this. The Mayor had stressed the priority for elected Members to listen to the views of the various special-interest groups and individuals who were to attend. It was noted that these invitees would include representatives from outlying villages and important that their opinions were to be heard. Some Members expressed firm preferences for the form and conduct of the meeting, but it was acknowledged that the Mayor would be the Chair.

6. There followed a general discussion and it was agreed that the Working Party would meet quarterly in future.

OCWP2020/08

There being no further business, the Chairman declared the meeting closed, and thanked everyone for their attendance. *The meeting closed at 8:15pm.*

Draft

Actions to help implement the policies and meet the aims and objectives of the Neighbourhood Plan using Community Infrastructure Levy (CIL) funding

- 11.1** Lewes will inevitably experience change over the next decade or more. This change will only be successful if the right level of investment is made to improve the community and social infrastructure at the right time. Delivery of infrastructure need not all be “upfront” but current and forecasted infrastructure shortfalls must be independently evaluated and a full mitigation plan must be supplied by the developer before housing applications can be approved.
- 11.2** This list is linked to a set of specific projects identified through the neighbourhood plan process. This will act as “hook” or starting point for these projects to be developed further. The projects may require further feasibility work, perhaps outside the scope of the neighbourhood plan, to establish how they can be funded and delivered.
- 11.3** Proposals for new and improved community and social infrastructure in the plan area, including the projects listed below, will be supported subject to those proposals meeting the objectives of this plan and being compatible with other planning policies in the plan.
- 11.4** Supporting Text
- Funds from the Community Infrastructure Levy (CIL) are raised from developments within each parish within the South Downs National Park and a portion is redistributed to the appropriate parish. In the case of Lewes, Lewes Town Council will be responsible for administering the funds in line with the policies of the neighbourhood plan, as and when the funds are made available
- 11.5** The list that follows comprises specific projects that have been identified through the neighbourhood plan process. Please note the projects are in no particular order and are not prioritised at this time.
- 11.6** **Improvements for Pedestrians**
- 1 Provide a riverside path on the East side of the Ouse between Timberyard Lane and Cliffe Bridge and on the West side between Cliffe Bridge and Willeys Bridge.
 - 2 Restoring the brick pavements and cobbles in Keere Street to their former glory.
 - 3 Reworking of all the pavements near the Crown Court on the High Street, either with a much heavier duty substrate to avoid vehicle damage to the pavements, or with a scheme to keep the vehicles off the pavement, e.g. bollards, done with ESCC.
 - 4 Minor works along the route from the bus stop of Brighton Road to the Victoria Hospital to make the route safe for disabled people (e.g. dropped crossings, removal of pavement problems etc.). None of the problems are severe enough to bring it into ESCC remit but added up they make the route very challenging for people with mobility difficulties.
 - 5 Contribution towards or funding pedestrian crossing near the Piggy Steps on Offham Road at a point which serves all the families taking children to and from Landport to Wallands School.
 - 6 Contribution towards or funding pedestrian crossing near the Clevedown sheltered housing on Brighton Road.
 - 7 ~~Provide an all-weather surface for Footpath number 51 between Spences Lane and South Down Road.~~ **COMPLETED 2018**
 - 8 Reworking the pavement along the terraced side of Grange Road which is very challenging for those with mobility difficulties but which does not at any point quite make the ESCC danger standards trigger to work.
 - 9 Provide a proper disabled access to the Winterbourne Rec, from Bell Lane where the slope is at present very challenging for those with mobility difficulties; part funding with Lewes District Council if they will or simply funding if they cannot.
 - 10 Funding a school crossing person on Prince Edwards Road for children walking to and from Wallands and St Pancras Schools.
 - 11 Contribution towards or funding a pedestrian crossing on West Street.
 - 12 Contribution towards or funding a pedestrian crossing on Mountfield Road close to the Priory School.
 - 13 Contribution towards or funding “Tingles Way” — a self-guided pedestrian tour through Lewes, highlighting features of biodiversity, ecosystem services and natural capital in the community, based on the work of Dr Colin Tingle, to whom this Neighbourhood Plan is dedicated.
- 11.7** **Improvements for Cyclists**
- 14 Working with ESCC and possibly the SDNPA to fund a Cycle Route 90 through the town including three links needed:
 - a from the Brighton Road down into Winterbourne;
 - b through Winterbourne having agreed the route through Bell Lane Rec with Lewes District Council;
 - c through Southover into the Cliffe having negotiated a route.
- 11.8** **Road Infrastructure**
- 15 Contributing towards improvements to the Earwig Corner road junction.
 - 16 Provide traffic calming measures, either a speed camera or a vehicle activated warning sign, on Malling Hill and Malling Street.
- 11.9** **Public Transport Infrastructure**
- 17 Creating a suitable bus interchange point to replace the bus station.
 - 18 Providing a designated park for visiting coaches with facilities for their drivers.
 - 19 Completing the real time passenger transport information at bus stops and improvement at Lewes Prison (Eastbound) and upper High Street (Westbound).
 - 20 Contributing to studies / other measures that aim to reopen the railway to Uckfield.
- 11.10** **Social Infrastructure**
- 21 Look to expand the local economy and support and encourage the introduction of local food shops, health services, creative services and concert venues.
 - 22 Encourage development to ensure that not everything is located in the town centre, preventing unnecessary travel and ensuring that all areas retain a vibrant atmosphere where people can get to know their neighbours and feel at home in their own distinct locality within the town.
 - 23 Look for opportunities to design and create lively and diverse mixed-use community areas for old and young, with workspace where appropriate.
 - 24 Providing public toilets close to the Priory remains.
 - 25 Providing public toilet in Western Road.
 - 26 Modernisation of the public toilets in Southover Grange Gardens.
 - 27 Taking over the town’s public toilets from LDC and running them as clean and pleasant premises.
 - 28 Purchase of the St Mary’s Social Centre from the District Council to preserve it for community use, the trustees of the centre to continue to run it.
 - 29 Contribution towards the works at the Malling Community Centre.
 - 30 Provision of further children’s play areas along with appropriate equipment.
- 11.11** **Improvements to the Built Environment**
- 31 Ensuring that enhanced street furniture is provided in the Conservation Areas whilst reducing street clutter, and having more comprehensive sign-posting of footpath and cycle routes in the town and on to the adjoining countryside.
 - 32 Planting trees or shrubs at suitable places around the town.
 - 33 Undergoing or removing overhead wires to buildings in the Conservation Area.
 - 34 ~~Contributing to the proposal to create a Peace Garden (Magic Circle).~~ **COMPLETED 2019**
 - 35 Provision of Christmas decorations for businesses to create a whole town theme feel.
- 11.12** **Flood & Drainage Infrastructure**
- 36 Contributing to the completion of flood defences along the riverbank where they are not presently planned to be provided.
 - 37 Working with ESCC and/or Southern Water to sort out the drainage in several town locations where it is a perennial problem:
 - a Near the bottom of The Avenue
 - b On Nevill Road near to Nevill Green
 - c On Bell Lane near to the pedestrian crossing
 - d Boughey Place
